

**THE SOUTHERN BAPTIST THEOLOGICAL SEMINARY  
SEMINARY SCHOOL OF THE ARTS  
Spring 2026 Art Classes for Children: 3-D Sculptures!**

In this six-week class, students will create various three-dimensional art sculptures using paper, cardboard, and clay.

Students will create 2-3 finished pieces. The projects will include making lanterns out of paper, plastic, or glass. They will also create hanging mobiles by cutting out different objects and painting them with paint pens. For their final project they will create small pinch pots or tiny objects out of air-dry clay.

Students in kindergarten through 8th grade are welcome to register and participate. Children attending will need to be able to handle sharp scissors safely and well for some of these projects.
