A Letter from the President

Theological education is serious business.

The task of training, educating, and preparing ministers of the gospel is an incredible stewardship invested in Southern Seminary by the churches. Without apology, we serve the church of the Lord Jesus Christ and aim to fulfill this purpose so that generations to come will have an even more faithful and effective ministry.

Only God can make a minister. That fundamental fact frames our responsibility; for humility necessitates our understanding that Southern Seminary does not make ministers. Nevertheless, God makes ministers through the crucible of learning, study, prayer, and experience. Southern Seminary combines all of these elements in a comprehensive program of theological education that combines unquestioned academic excellence with practical application.

You should know that Southern Seminary is unfailingly serious about theological education that is genuinely theological. We are a confessional institution that stands without compromise upon the faith once for all delivered to the saints. The absolute truthfulness and authority of the Word of God are foundational to our programs of study, and you can be certain that theological faithfulness and doctrinal integrity are hallmarks of a Southern Seminary education.

This institution is more than 150 years old. Over the past 15 decades, many fads and movements have come and gone; but the steady determination to educate ministers of the gospel remains our central focus. Southern Seminary stands as a servant institution to the church of the Lord Jesus

Christ, and our eyes are on the mission fields of the world and the frontlines of ministry all around the globe.

Southern Seminary's faculty is unparalleled in the evangelical world. Here you will find consecrated Christian scholars whose commitment to the gospel, to the church, and to the Lord Jesus Christ is translated into their love for students and the task of teaching.

Our ambition is to shape the minister in every dimension—heart, soul, mind, and the application of all ministry in the spirit of Christ. To that end, we offer comprehensive academic degrees ranging from baccalaureate to doctoral programs. Standing at the center of every aspect of the curriculum is a steadfast commitment to biblical truth, to excellence in ministry, and to the honorable service to the church of our Lord Jesus Christ. The schools of The Southern Baptist Theological Seminary share this common vision, this glorious task, and this priceless stewardship.

Our institutional motto says it all —“For the truth, for the church, for the world, for the glory of God.” The glory of God is the beginning and end of all things, and ultimately our prayer is that God is glorified in all we do, in all we teach, and in all those who graduate from The Southern Baptist Theological Seminary.

About Southern

“Jesus Christ, the only begotten Son of God, is the divinely appointed mediator between God and man.”

Abstract of Principles

When the original charter of The Southern Baptist Theological Seminary was adopted in 1858, it contained the following statement which continues as a part of the “fundamental laws.”

Every professor of the institution shall be a member of a regular Baptist church; and all persons accepting professorships in this seminary shall be considered, by such acceptance, as engaging to teach in accordance with, and not contrary to, the Abstract of Principles hereinafter laid down, a departure from which principles on his part shall be considered grounds for his resignation or removal by the Trustees, to wit:

I. THE SCRIPTURES

The Scriptures of the Old and New Testaments were given by inspiration of God, and are the only sufficient, certain and authoritative rule of all saving knowledge, faith and obedience.

II. GOD

There is but one God, the Maker, Preserver and Ruler of all things, having in and of Himself, all perfections, and being infinite in them all; and to Him all creatures owe the highest love, reverence and obedience.

III. THE TRINITY

God is revealed to us as Father, Son and Holy Spirit each with distinct personal attributes, but without division of nature, essence or being.

IV. PROVIDENCE

God from eternity, decrees or permits all things that come to pass, and perpetually upholds, directs and governs all creatures and all events; yet so as not in any wise to be the author or approver of sin nor to destroy the free will and responsibility of intelligent creatures.

V. ELECTION

Election is God’s eternal choice of some persons unto everlasting life—not because of foreseen merit in them, but of His mere mercy in Christ—in consequence of which choice they are called, justified and glorified.

VI. THE FALL OF MAN

God originally created Man in His own image, and free from sin; but, through the temptation of Satan, he transgressed the command of God, and fell from his original holiness and righteousness; whereby his posterity inherit a nature corrupt and wholly opposed to God and His law, are under condemnation, and as soon as they are capable of moral action, become actual transgressors.

VII. THE MEDIATOR

Jesus Christ, the only begotten Son of God, is the divinely appointed mediator between God and man. Having taken upon Himself human nature, yet without sin, He perfectly fulfilled the law; suffered and died upon the cross for the salvation of sinners. He was buried, and rose again the third day, and ascended to His Father, at whose right hand He ever liveth to make intercession for His people. He is the only Mediator, the Prophet, Priest and King of the Church, and Sovereign of the Universe.

VIII. REGENERATION

Regeneration is a change of heart, wrought by the Holy Spirit, who quickeneth the dead in trespasses and sins enlightening their minds spiritually and savingly to understand the Word of God, and renewing their whole nature, so that they love and practice holiness. It is a work of God’s free and special grace alone.

IX. REPENTANCE

Repentance is an evangelical grace, wherein a person being by the Holy Spirit, made sensible of the manifold evil of his sin, humbleth himself for it, with godly sorrow, detestation of it, and self-abhorrence, with a purpose and endeavor to walk before God so as to please Him in all things.

X. FAITH

Saving faith is the belief, on God's authority, of whatsoever is revealed in His Word concerning Christ; accepting and resting upon Him alone for justification and eternal life. It is wrought in the heart by the Holy Spirit, and is accompanied by all other saving graces, and leads to a life of holiness.

XI. JUSTIFICATION

Justification is God's gracious and full acquittal of sinners, who believe in Christ, from all sin, through the satisfaction that Christ has made; not for anything wrought in them or done by them; but on account of the obedience and satisfaction of Christ, they receiving and resting on Him and His righteousness by faith.

XII. SANCTIFICATION

Those who have been regenerated are also sanctified by God's word and Spirit dwelling in them. This sanctification is progressive through the supply of Divine strength, which all saints seek to obtain, pressing after a heavenly life in cordial obedience to all Christ's commands.

XIII. PERSEVERANCE OF THE SAINTS

Those whom God hath accepted in the Beloved, and sanctified by His Spirit, will never totally nor finally fall away from the state of grace, but shall certainly persevere to the end; and though they may fall through neglect and temptation, into sin, whereby they grieve the Spirit, impair their graces and comforts, bring reproach on the Church, and temporal judgments on themselves, yet they shall be renewed again unto repentance, and be kept by the power of God through faith unto salvation.

XIV. THE CHURCH

The Lord Jesus is the head of the Church, which is composed of all His true disciples, and in Him is invested supremely all power for its government. According to His commandment, Christians are to associate themselves into particular societies or churches; and to each of these churches He hath given needful authority for administering that order, discipline and worship which He hath appointed. The regular officers of a Church are Bishops or Elders, and Deacons.

XV. BAPTISM

Baptism is an ordinance of the Lord Jesus, obligatory upon every believer, wherein he is immersed in water in the name of the Father, and of the Son, and of the Holy Spirit, as a sign of his fellowship with the death and resurrection of Christ, of remission of sins, and of giving himself up to God, to live and walk in newness of life. It is prerequisite to church fellowship, and to participation in the Lord's Supper.

XVI. THE LORD'S SUPPER

The Lord's Supper is an ordinance of Jesus Christ, to be administered with the elements of bread and wine, and to be observed by His churches till the end of the world. It is in no sense a sacrifice, but is designed to commemorate His death, to confirm the faith and other graces of Christians, and to be a bond, pledge and renewal of their communion with Him, and of their church fellowship.

XVII. THE LORD'S DAY

The Lord's Day is a Christian institution for regular observance, and should be employed in exercises of worship and spiritual devotion, both public and private, resting from worldly employments and amusements, works of necessity and mercy only excepted.

XVIII. LIBERTY OF CONSCIENCE

God alone is Lord of the conscience; and He hath left it free from the doctrines and commandments of men, which are in anything contrary to His word, or not contained in it. Civil magistrates being ordained of God, subjection in all lawful things commanded by them ought to be yielded by us in the Lord, not only for wrath, but also for conscience sake.

XIX. THE RESURRECTION

The bodies of men after death return to dust, but their spirits return immediately to God—the righteous to rest with Him; the wicked, to be reserved under darkness to the judgment. At the last day, the bodies of all the dead, both just and unjust, will be raised.

XX. THE JUDGMENT

God hath appointed a day, wherein He will judge the world by Jesus Christ, when every one shall receive according to his deeds; the wicked shall go into everlasting punishment; the righteous, into everlasting life.

The Baptist Faith and Message

REPORT OF THE BAPTIST FAITH AND MESSAGE STUDY COMMITTEE
TO THE SOUTHERN BAPTIST CONVENTION, JUNE 14, 2000

The 1999 session of the Southern Baptist Convention, meeting in Atlanta, Georgia, adopted the following motion addressed to the President of the Convention:

“I move that in your capacity as Southern Baptist Convention chairman, you appoint a blue ribbon committee to review the Baptist Faith and Message statement with the responsibility to report and bring any recommendations to this meeting next June in Orlando.”

President Paige Patterson appointed the committee as follows: Max Barnett (OK), Steve Gaines (AL), Susie Hawkins (TX), Rudy A. Hernandez (TX), Charles S. Kelley, Jr. (LA), Heather King (IN), Richard D. Land (TN), Fred Luter (LA), R. Albert Mohler, Jr. (KY), T. C. Pinckney (VA), Nelson Price (GA), Adrian Rogers (TN), Roger Spradlin (CA), Simon Tsoi (AZ), Jerry Vines (FL). Adrian Rogers (TN) was appointed chairman.

Your committee thus constituted begs leave to present its report as follows:

Baptists are a people of deep beliefs and cherished doctrines. Throughout our history we have been a confessional people, adopting statements of faith as a witness to our beliefs and a pledge of our faithfulness to the doctrines revealed in Holy Scripture.

Our confessions of faith are rooted in historical precedent, as the church in every age has been called upon to define and defend its beliefs. Each generation of Christians bears the responsibility of guarding the treasury of truth that has been entrusted to us [II Timothy 1:14]. Facing a new century, Southern Baptists must meet the demands and duties of the present hour.

New challenges to faith appear in every age. A pervasive anti-supernaturalism in the culture was answered by Southern Baptists in 1925, when the Baptist Faith and Message was first adopted by this Convention. In 1963, Southern Baptists responded to assaults upon the authority and truthfulness of the Bible by adopting revisions to the Baptist Faith and Message. The Convention added an article on “The Family” in 1998, thus answering cultural confusion with the clear teachings of Scripture. Now, faced with a culture hostile to the very notion of truth, this generation of Baptists must claim anew the eternal truths of the Christian faith.

Your committee respects and celebrates the heritage of the Baptist Faith and Message, and affirms the decision of the Convention in 1925 to adopt the New Hampshire Confession of Faith, “revised at certain points and with some additional articles growing out of certain needs . . .” We also respect the important contributions of the 1925 and 1963 editions of the Baptist Faith and Message.

With the 1963 committee, we have been guided in our work by the 1925 “statement of the historic Baptist conception of the nature and function of confessions of faith in our religious and denominational life . . .” It is, therefore, quoted in full as a part of this report to the Convention:

- 1). That they constitute a consensus of opinion of some Baptist body, large or small, for the general instruction and guidance of our own people and others concerning those articles of the Christian faith which are most surely held among us. They are not intended to add anything to the simple conditions of salvation revealed in the New Testament, viz., repentance toward God and faith in Jesus Christ as Saviour and Lord.
- 2). That we do not regard them as complete statements of our faith, having any quality of finality or infallibility. As in the past so in the future, Baptists should hold themselves free to revise their statements of faith as may seem to them wise and expedient at any time.
- 3). That any group of Baptists, large or small, have the inherent right to draw up for themselves and publish to the world a confession of their faith whenever they may think it advisable to do so.
- 4). That the sole authority for faith and practice among Baptists is the Scriptures of the Old and New Testaments. Confessions are only guides in interpretation, having no authority over the conscience.
- 5). That they are statements of religious convictions, drawn from the Scriptures, and are not to be used to hamper freedom of thought or investigation in other realms of life.

Baptists cherish and defend religious liberty, and deny the right of any secular or religious authority to impose a confession of faith upon a church or body of churches. We honor the principles of soul competency and the priesthood of believers, affirming together both our liberty in Christ and our accountability to each other under the Word of God.

Baptist churches, associations, and general bodies have adopted confessions of faith as a witness to the world, and as instruments of doctrinal accountability. We are not embarrassed to state before the world that these are doctrines we hold precious and as essential to the Baptist tradition of faith and practice.

As a committee, we have been charged to address the “certain needs” of our own generation. In an age increasingly hostile to Christian truth, our challenge is to express the truth as revealed in Scripture, and to bear witness to Jesus Christ, who is “the Way, the Truth, and the Life.”

The 1963 committee rightly sought to identify and affirm “certain definite doctrines that Baptists believe, cherish, and with which they have been and are now closely identified.” Our living faith is established upon eternal truths. “Thus this generation of Southern Baptists is in historic succession of intent and purpose as it endeavors to state for its time and theological climate those articles of the Christian faith which are most surely held among us.”

It is the purpose of this statement of faith and message to set forth certain teachings which we believe.

I. THE SCRIPTURES

The Holy Bible was written by men divinely inspired and is God’s revelation of Himself to man. It is a perfect treasure of divine instruction. It has God for its author, salvation for its end, and truth, without any mixture of error, for its matter. Therefore, all Scripture is totally true and trustworthy. It reveals the principles by which God judges us, and therefore is, and will remain to the end of the world, the true center of Christian union, and the supreme standard by which all human conduct, creeds, and religious opinions should be tried. All Scripture is a testimony to Christ, who is Himself the focus of divine revelation.

II. GOD

There is one and only one living and true God. He is an intelligent, spiritual, and personal Being, the Creator, Redeemer, Preserver, and Ruler of the universe. God is infinite in holiness and all other perfections. God is all powerful and all knowing; and His perfect knowledge extends to all things, past, present, and future, including the

future decisions of His free creatures. To Him we owe the highest love, reverence, and obedience. The eternal triune God reveals Himself to us as Father, Son, and Holy Spirit, with distinct personal attributes, but without division of nature, essence, or being.

A. GOD THE FATHER

God as Father reigns with providential care over His universe, His creatures, and the flow of the stream of human history according to the purposes of His grace. He is all powerful, all knowing, all loving, and all wise. God is Father in truth to those who become children of God through faith in Jesus Christ. He is fatherly in His attitude toward all men.

B. GOD THE SON

Christ is the eternal Son of God. In His incarnation as Jesus Christ He was conceived of the Holy Spirit and born of the virgin Mary. Jesus perfectly revealed and did the will of God, taking upon Himself human nature with its demands and necessities and identifying Himself completely with mankind yet without sin. He honored the divine law by His personal obedience, and in His substitutionary death on the cross He made provision for the redemption of men from sin. He was raised from the dead with a glorified body and appeared to His disciples as the person who was with them before His crucifixion. He ascended into heaven and is now exalted at the right hand of God where He is the One Mediator, fully God, fully man, in whose Person is effected the reconciliation between God and man. He will return in power and glory to judge the world and to consummate His redemptive mission. He now dwells in all believers as the living and ever present Lord.

C. GOD THE HOLY SPIRIT

The Holy Spirit is the Spirit of God, fully divine. He inspired holy men of old to write the Scriptures. Through illumination He enables men to understand truth. He exalts Christ. He convicts men of sin, of righteousness, and of judgment. He calls men to the Saviour, and effects regeneration. At the moment of regeneration He baptizes every believer into the Body of Christ. He cultivates Christian character, comforts believers, and bestows the spiritual gifts by which they serve God through His church. He seals the believer unto the day of final redemption. His presence in the Christian is the guarantee that God will bring the believer into the fullness of the stature of Christ. He enlightens and empowers the believer and the church in worship, evangelism, and service.

III. MAN

Man is the special creation of God, made in His own image. He created them male and female as the crowning work of His creation. The gift of gender is thus part of the goodness of God's creation. In the beginning man was innocent of sin and was endowed by his Creator with freedom of choice. By his free choice man sinned against God and brought sin into the human race. Through the temptation of Satan man transgressed the command of God, and fell from his original innocence whereby his posterity inherit a nature and an environment inclined toward sin. Therefore, as soon as they are capable of moral action, they become transgressors and are under condemnation. Only the grace of God can bring man into His holy fellowship and enable man to fulfill the creative purpose of God. The sacredness of human personality is evident in that God created man in His own image, and in that Christ died for man; therefore, every person of every race possesses full dignity and is worthy of respect and Christian love.

IV. SALVATION

Salvation involves the redemption of the whole man, and is offered freely to all who accept Jesus Christ as Lord and

Saviour, who by His own blood obtained eternal redemption for the believer. In its broadest sense salvation includes regeneration, justification, sanctification, and glorification. There is no salvation apart from personal faith in Jesus Christ as Lord.

A. Regeneration, or the new birth, is a work of God's grace whereby believers become new creatures in Christ Jesus. It is a change of heart wrought by the Holy Spirit through conviction of sin, to which the sinner responds in repentance toward God and faith in the Lord Jesus Christ. Repentance and faith are inseparable experiences of grace. Repentance is a genuine turning from sin toward God. Faith is the acceptance of Jesus Christ and commitment of the entire personality to Him as Lord and Saviour.

B. Justification is God's gracious and full acquittal upon principles of His righteousness of all sinners who repent and believe in Christ. Justification brings the believer unto a relationship of peace and favor with God.

C. Sanctification is the experience, beginning in regeneration, by which the believer is set apart to God's purposes, and is enabled to progress toward moral and spiritual maturity through the presence and power of the Holy Spirit dwelling in him. Growth in grace should continue throughout the regenerate person's life.

D. Glorification is the culmination of salvation and is the final blessed and abiding state of the redeemed.

V. GOD'S PURPOSE OF GRACE

Election is the gracious purpose of God, according to which He regenerates, justifies, sanctifies, and glorifies sinners. It is consistent with the free agency of man, and comprehends all the means in connection with the end. It is the glorious display of God's sovereign goodness, and is infinitely wise, holy, and unchangeable. It excludes boasting and promotes humility.

All true believers endure to the end. Those whom God has accepted in Christ, and sanctified by His Spirit, will

never fall away from the state of grace, but shall persevere to the end. Believers may fall into sin through neglect and temptation, whereby they grieve the Spirit, impair their graces and comforts, and bring reproach on the cause of Christ and temporal judgments on themselves; yet they shall be kept by the power of God through faith unto salvation.

VI. THE CHURCH

A New Testament church of the Lord Jesus Christ is an autonomous local congregation of baptized believers, associated by covenant in the faith and fellowship of the gospel; observing the two ordinances of Christ, governed by His laws, exercising the gifts, rights, and privileges invested in them by His Word, and seeking to extend the gospel to the ends of the earth. Each congregation operates under the Lordship of Christ through democratic processes. In such a congregation each member is responsible and accountable to Christ as Lord. Its scriptural offices are that of pastor/elder/overseer and deacons. While both men and women are gifted for service in the church, the office of pastor/elder/overseer is limited to men as qualified by Scripture.

The New Testament speaks also of the church as the body of Christ which includes all of the redeemed of all the ages, believers from every tribe, and tongue, and people, and nation.

VII. BAPTISM AND THE LORD'S SUPPER

Christian baptism is the immersion of a believer in water in the name of the Father, the Son, and the Holy Spirit. It is an act of obedience symbolizing the believer's faith in a crucified, buried, and risen Saviour, the believer's death to sin, the burial of the old life, and the resurrection to walk in newness of life in Christ Jesus. It is a testimony to his faith in

the final resurrection of the dead. Being a church ordinance, it is prerequisite to the privileges of church membership and to the Lord's Supper.

The Lord's Supper is a symbolic act of obedience whereby members of the church, through partaking of the bread and the fruit of the vine, memorialize the death of the Redeemer and anticipate His second coming.

VIII. THE LORD'S DAY

The first day of the week is the Lord's Day. It is a Christian institution for regular observance. It commemorates the resurrection of Christ from the dead and should include exercises of worship and spiritual devotion, both public and private. Activities on the Lord's Day should be commensurate with the Christian's conscience under the Lordship of Jesus Christ.

IX. THE KINGDOM

The Kingdom of God includes both His general sovereignty over the universe and His particular kingship over men who willfully acknowledge Him as King. Particularly the Kingdom is the realm of salvation into which men enter by trustful, childlike commitment to Jesus Christ. Christians ought to pray and to labor that the Kingdom may come and God's will be done on earth. The full consummation of the Kingdom awaits the return of Jesus Christ and the end of this age.

X. LAST THINGS

God, in His own time and in His own way, will bring the world to its appropriate end. According to His promise, Jesus Christ will return personally and visibly in glory to the earth; the dead will be raised; and Christ will judge all men in righteousness. The unrighteous will be consigned to Hell, the place of everlasting punishment. The righteous in their resurrected and glorified bodies will receive their reward and will dwell forever in Heaven with the Lord.

XI. EVANGELISM AND MISSIONS

It is the duty and privilege of every follower of Christ and of every church of the Lord Jesus Christ to endeavor to make disciples of all nations. The new birth of man's spirit by God's Holy Spirit means the birth of love for others. Missionary effort on the part of all rests thus upon a spiritual necessity of the regenerate life, and is expressly and repeatedly commanded in the teachings of Christ. The Lord Jesus Christ has commanded the preaching of the gospel to all nations. It is the duty of every child of God to seek constantly to win the lost to Christ by verbal witness undergirded by a Christian lifestyle, and by other methods in harmony with the gospel of Christ.

GENESIS 12:1-3; EXODUS 19:5-6; ISAIAH 6:1-8; MATTHEW 9:37-38; 10:5-15; 13:18-30, 37-43; 16:19; 22:9-10; 24:14; 28:18-20; LUKE 10:1-18; 24:46-53; JOHN 14:11-12; 15:7-8,16; 17:15; 20:21; ACTS 1:8; 2; 8:26-40; 10:42-48; 13:2-3; ROMANS 10:13-15; EPHESIANS 3:1-11; 1 THESSALONIANS 1:8; 2 TIMOTHY 4:5; HEBREWS 2:1-3; 11:39-12:2; 1 PETER 2:4-10; REVELATION 22:17.

XII. EDUCATION

Christianity is the faith of enlightenment and intelligence. In Jesus Christ abide all the treasures of wisdom and knowledge. All sound learning is, therefore, a part of our Christian heritage. The new birth opens all human faculties and creates a thirst for knowledge. Moreover, the cause of education in the Kingdom of Christ is coordinate with the causes of missions and general benevolence, and should receive along with these the liberal support of the churches. An adequate system of Christian education is necessary to a complete spiritual program for Christ's people.

In Christian education there should be a proper balance between academic freedom and academic responsibility. Freedom in any orderly relationship of human life is always limited and never absolute. The freedom of a teacher in a Christian school, college, or seminary is limited by the pre-eminence of Jesus Christ, by the authoritative nature of the Scriptures, and by the distinct purpose for which the school exists.

XIII. STEWARDSHIP

God is the source of all blessings, temporal and spiritual; all that we have and are we owe to Him. Christians have a spiritual debtorship to the whole world, a holy trusteeship in the gospel, and a binding stewardship in their possessions. They are therefore under obligation to serve Him with their time, talents, and material possessions; and should recognize all these as entrusted to them to use for the glory of God and for helping others. According to the Scriptures, Christians should contribute of their means cheerfully, regularly, systematically, proportionately, and liberally for the advancement of the Redeemer's cause on earth.

XIV. COOPERATION

Christ's people should, as occasion requires, organize such associations and conventions as may best secure cooperation for the great objects of the Kingdom of God. Such organizations have no authority over one another or over the churches. They are voluntary and advisory bodies designed to elicit, combine, and direct the energies of our people in the most effective manner. Members of New Testament churches should cooperate with one another in carrying forward the missionary, educational, and benevolent ministries for the extension of Christ's Kingdom. Christian unity in the New Testament sense is spiritual harmony and voluntary cooperation for common ends by various groups of Christ's people. Cooperation is desirable between the various Christian denominations, when the end to be attained is itself justified, and when such cooperation involves no violation of conscience or compromise of loyalty to Christ and His Word as revealed in the New Testament.

XV. THE CHRISTIAN AND THE SOCIAL ORDER

All Christians are under obligation to seek to make the will of Christ supreme in our own lives and in human society. Means and methods used for the improvement of society and the establishment of righteousness among men can be truly and permanently helpful only when they are rooted in the regeneration of the individual by the saving grace of God in Jesus Christ. In the spirit of Christ, Christians should oppose racism, every form of greed, selfishness, and

vice, and all forms of sexual immorality, including adultery, homosexuality, and pornography. We should work to provide for the orphaned, the needy, the abused, the aged, the helpless, and the sick. We should speak on behalf of the unborn and contend for the sanctity of all human life from conception to natural death. Every Christian should seek to bring industry, government, and society as a whole under the sway of the principles of righteousness, truth, and brotherly love. In order to promote these ends Christians should be ready to work with all men of good will in any good cause, always being careful to act in the spirit of love without compromising their loyalty to Christ and His truth.

EXODUS 20:3-17; LEVITICUS 6:2-5; DEUTERONOMY 10:12; 27:17; PSALM 101:5; MICAH 6:8; ZECHARIAH 8:16; MATTHEW 5:13-16,43-48; 22:36-40; 25:35; MARK 1:29-34; 2:3FF.; 10:21; LUKE 4:18-21; 10:27-37; 20:25; JOHN 15:12; 17:15; ROMANS 12-14; 1 CORINTHIANS 5:9-10; 6:1-7; 7:20-24; 10:23-11:1; GALATIANS 3:26-28; EPHESIANS 6:5-9; COLOSSIANS 3:12-17; 1 THESSALONIANS 3:12; PHILEMON; JAMES 1:27; 2:8.

XVI. PEACE AND WAR

It is the duty of Christians to seek peace with all men on principles of righteousness. In accordance with the spirit and teachings of Christ they should do all in their power to put an end to war.

The true remedy for the war spirit is the gospel of our Lord. The supreme need of the world is the acceptance of His teachings in all the affairs of men and nations, and the practical application of His law of love. Christian people throughout the world should pray for the reign of the Prince of Peace.

ISAIAH 2:4; MATTHEW 5:9,38-48; 6:33; 26:52; LUKE 22:36,38; ROMANS 12:18-19; 13:1-7; 14:19; HEBREWS 12:14; JAMES 4:1-2.

XVII. RELIGIOUS LIBERTY

God alone is Lord of the conscience, and He has left it free from the doctrines and commandments of men which are contrary to His Word or not contained in it. Church and state should be separate. The state owes to every church protection and full freedom in the pursuit of its spiritual ends. In providing for such freedom no ecclesiastical group or denomination should be favored by the state more than others. Civil government being ordained of God, it is the duty of Christians to render loyal obedience thereto in all things not contrary to the revealed will of God. The church should not resort to the civil power to carry on its work. The gospel of Christ contemplates spiritual means alone for the pursuit of its ends. The state has no right to impose penalties for religious opinions of any kind. The state has no right to impose taxes for the support of any form of religion. A free church in a free state is the Christian ideal, and this implies

the right of free and unhindered access to God on the part of all men, and the right to form and propagate opinions in the sphere of religion without interference by the civil power.

XVIII. THE FAMILY

God has ordained the family as the foundational institution of human society. It is composed of persons related to one another by marriage, blood, or adoption.

Marriage is the uniting of one man and one woman in covenant commitment for a lifetime. It is God's unique gift to reveal the union between Christ and His church and to provide for the man and the woman in marriage the framework for intimate companionship, the channel of sexual expression according to biblical standards, and the means for procreation of the human race.

The husband and wife are of equal worth before God, since both are created in God's image. The marriage relationship models the way God relates to His people. A husband is to love his wife as Christ loved the church. He has the God-given responsibility to provide for, to protect, and to lead his family. A wife is to submit herself graciously to the servant leadership of her husband even as the church willingly submits to the headship of Christ. She, being in the image of God as is her husband and thus equal to him, has the God-given responsibility to respect her husband and to serve as his helper in managing the household and nurturing the next generation.

Children, from the moment of conception, are a blessing and heritage from the Lord. Parents are to demonstrate to their children God's pattern for marriage. Parents are to teach their children spiritual and moral values and to lead them, through consistent lifestyle example and loving discipline, to make choices based on biblical truth. Children are to honor and obey their parents.

Historical Sketch

Enrolling more than 5,000 students annually, The Southern Baptist Theological Seminary ranks as one of the largest seminaries in the world. Students come from nearly every state and dozens of countries to experience Southern's diverse curricular offerings, practical ministerial preparation, and premier academic environment.

Southern Seminary has been an innovator in theological education since its founding in 1859 in Greenville, South Carolina. The school's pioneering legacy began in the visionary mind of James P. Boyce, the school's first president. Boyce dreamed of a school that would accept all God-called individuals for study regardless of their educational background. At the same time, Boyce also envisioned a seminary that would offer students the highest degree of academic preparation.

Boyce's idea of open enrollment was a virtual revolution in theological education. Other seminaries of that day would accept only college graduates who were trained in the classics. Yet Boyce knew that the leadership needs of Southern Baptist churches were so great that such pre-seminary training could not be required of all students in the new school. On the other hand, he realized that the Southern Baptist Convention needed an institution that challenged and nurtured the brightest minds of the denomination.

Boyce's bold initiative took root in humble circumstances. Southern Baptists' first seminary began offering classes on October 3, 1859, in a borrowed building with 26 students and 4 professors — Boyce, John A. Broadus, Basil Manly, Jr., and William Williams. The early faculty brought untiring commitment and sterling academic credentials to their duties. They held degrees from schools such as Princeton, Brown, Harvard, and the University of Virginia.

The best efforts of Boyce and his faculty, however, could not shield the school from the ravaging effects of the Civil War. The war's turmoil prompted the school to suspend operations in 1862.

At the war's end, the seminary had no guarantee that it could resume classes. The school's faculty and students

were scattered and what remained of its endowment was in worthless Confederate bonds. The economy of the South was in ruins, and likewise, Southern Baptist churches were suffering tremendous financial distress. Thus the school faced a more daunting challenge than at its founding. Amid these circumstances, the faculty gathered to determine the school's future. In that meeting, Broadus, who would become the seminary's second president, uttered his now famous words: "Let us quietly agree that the seminary may die; but that we will die first."

In order for the school to regain its financial footing, trustees and faculty realized the seminary must find a new location outside the war-torn economy of the Deep South. While several cities vied for the honor of hosting the fledgling Baptist institution, the clear choice was the bustling river city of Louisville, Kentucky. In addition to a vibrant economy, the city's strong Baptist churches and civic leadership had promised financial support and other assistance. Louisvillians who promised and later delivered substantial aid to the seminary included two brothers, George and W. F. Norton.

In 1877 the seminary made the move to Louisville and began offering classes in rented space in the city's public library building. Due to the generosity of John D. Rockefeller and other New York Baptists, the seminary in 1888 constructed its own building at the corner of Fifth and Broadway in downtown Louisville.

By the mid-1890's, the original founding faculty had died. Their dream for superb theological education, however, continued to live at Southern Seminary. Southern became one of the first seminaries in the nation to offer the Doctor of Philosophy degree in 1894. Near the turn of the century, Southern became the first American institution to establish a department of comparative religions and missions. In 1906 Southern inaugurated the nation's first seminary program of study in religious education. This program later became a school of the seminary and is now part of the Billy Graham School of Missions, Evangelism, and Ministry.

Southern moved to its current campus on Lexington Road, five miles east of downtown Louisville, in 1926. From this picturesque setting, Southern has continued its groundbreaking educational legacy. The seminary launched a School of Church Music in 1944 that has grown to be one of the largest and most prestigious schools of its kind. In keeping with the vision of Boyce, the seminary founded Boyce Bible School in 1974, which is a division of the seminary exclusively designed to provide ministerial

training for people without college degrees. In 1998, this undergraduate school of the seminary was transformed and began offering fully accredited bachelor degrees. The Billy Graham School of Missions, Evangelism and Church Growth was inaugurated in 1994. It is the only school world-renowned evangelist Billy Graham ever allowed to carry his name. Now combined with the Church Ministries program, the Billy Graham School provides a platform for Great Commission studies.

In recent years, evidence that the seminary was fulfilling the founding president's desire for excellence was furnished through a study by the American Council of Learned Societies. That study ranked Southern Seminary with Harvard, Yale, Princeton, and Chicago as one of the sixteen outstanding graduate programs in religion in the nation.

The seminary's history has not been without controversy. Two distinguished professors of the nineteenth century, Crawford Toy and William Whitsitt (who was also the seminary's president), were forced to resign for presenting concepts considered too radical for their times. The fundamentalist-modernist controversies that produced strife in many denominations and institutions in the early twentieth century have not ceased to create friction between Southern Seminary and its critics.

Because Southern Seminary is an institution for theological education, it finds its identity ultimately in relationship to God. Southern Seminary exists to train, educate, and prepare ministers of the gospel for more faithful service, a mission carefully defined in its essence but evolving in its implications.

Southern has over 11,000 alumni since 1993 who serve in all 50 states and 80 foreign nations. Primarily, they serve as ministers of Southern Baptist churches and as missionaries throughout the world. Alumni also include college and university presidents, several former presidents of the Southern Baptist Convention, and leaders at other evangelical institutions. For students past and present, their preparation has been underscored by a school with a heritage of innovation and excellence. But that preparation is rooted in the tradition of faith and commitment that brought this institution into being and which has sustained Southern Seminary from its founding to the twenty-first century.

Academic Programs

Throughout its history, Southern Seminary has maintained the unitary purpose of preparing students for Christian ministry. As the Southern Baptist Convention has grown in both size and areas of ministry, new needs in ministerial education have arisen. The seminary has responded to these needs by reworking existing academic programs and creating new degrees and opportunities for curricular specialization.

The seminary currently has three schools:

- School of Theology
- Billy Graham School of Missions, Evangelism, and Ministry
- Boyce College

Boyce College offers an associate degree and two baccalaureate degrees. The other schools of the seminary offer diploma programs, for which an undergraduate degree is not an entrance requirement, and several degree programs. The degree programs are divided into two categories: master's (professional) level programs entered on the basis of a bachelor's degree, and doctoral (professional and research) level programs entered on the basis of a seminary professional degree.

The Southern Baptist Theological Seminary is composed of three separate schools—an undergraduate college and two premier graduate schools. The School of Theology, the founding school of the institution, specializes in classic studies for ministry and scholarship, such as Bible, theology, church history, and teaching.

The Billy Graham School of Missions, Evangelism and Ministry is the largest Great Commission school in the world, and is dedicated to training ministers and laypersons to fulfill the Great Commission (Matthew 28:18-20). It also prepares pastors and staff members for service in fields of education and church leadership.

These joint programs require students to complete their first year of undergraduate studies (24 semester credits) while maintaining a GPA of at least 3.50 and undergo a character evaluation intended to assess the Christianity maturity of candidates and to consider their potential for success in graduate-level study. Full requirements are posted on the College's website boycecollege.com.

ADMISSION PREREQUISITES:

Baccalaureate degree from a regionally accredited institution.

- All applicants entering music and worship degrees at Southern Seminary must take placement exams offered by the school at the beginning of graduate study. These exams evaluate knowledge and skill in music theory, sight singing, ear training, keyboard, voice, and conducting. Students who show deficiencies in the placement exams will take additional pre-graduate course work in the areas of their deficiency (music theory, aural skills, keyboard, etc.). These courses may be taken along side graduate level courses as long as the graduate level course does not rely on the particular skills the student is trying to improve through pre-graduate work. Students are expected to satisfy pre-graduate requirements dictated by the placement exams within the first year of study. The placement exam (worship assessment) will be required for all students in the MA in Worship Leadership program. Students pursuing the Worship Leadership Graduate Certificate will only need to complete the assessment if they wish to take *40625 Leading Worship Ensembles*.

Admissions Acceptance Categories

- **New**—These are students who have completed the entire admissions process by submitting all required information and who have been approved into a degree program.
- **Readmit**—Students who miss two years or less of classes may contact Academic Records to reactivate their status. Students who miss more than two years of classes should contact the Admissions Office to see if additional materials are required before re-enrolling for classes.
- **Non-Degree Student status**—The non-degree classification is for students who are in the process of applying but will be unable to complete the requirements before the start of the semester. Non-degree students must submit the application, application fee, Church/Pastoral Recommendation, and spiritual autobiography in order to be admitted. Admittance as a non-degree student in no way guarantees admission into a degree program. Non-degree student status normally does not extend beyond one semester. Non-degree students may not take doctoral courses except for the Graduate Research Seminar, modern languages, and Latin.
- **Transfer**—Students must have 1 or more hours to transfer into a degree to be considered a transfer student.
- **identified with the SBC benefit** from comparatively lower costs afforded by CP funding, but are only eligible for the lower tuition rate under certain circumstances. Forms are available from the Admissions office.

- **Visiting Student**—A student who is regularly enrolled in another accredited institution may enroll at Southern Seminary for a limited period (one semester) upon recommendation of the dean and registrar of the student’s home institution. It is the student’s responsibility to ensure that credit will transfer to the home institution.
- **Provisional**—Provisional admission to master’s level programs may be granted, on an individual basis to applicants who have graduated from an institution lacking regional accreditation in the U.S. or Canada. In order to qualify, applicant’s cumulative GPA must be strong (over a 3.0). The applicant’s course of study must have included at least 60 hours in the areas listed below. No more than 30 hours can be from areas broadly considered to be courses of Instruction related to ministry preparation. The applicant must have taken classes in at least six of the following areas and no more than 12 hours from a single area can be counted toward the 60 hours total. If accepted under Provisional Admission, the student will be placed on Academic Probation and must maintain a “C” average for the first two semesters.

Admissions Information

- **Student Spouse**—see “Non-Degree” above. Must submit application, Church/Pastoral Recommendation, and spiritual autobiography.
- **Non-Southern Baptist Applicants**—The purpose of Southern Seminary is to train, educate, and prepare ministers of the gospel for more faithful service, regardless of their denomination. Nevertheless, Southern Seminary is a denominational institution and the tuition of Southern Baptist students is partly subsidized by the Cooperative Program (CP) of the SBC. CP funds support the denominational task of preparing biblically-trained Southern Baptist ministers, subsidizing approximately half of the institutional cost for all Southern Baptist students. International

Southern Seminary is authorized under Federal law to enroll non-immigrant alien students. Students with F-1 visas can study at the Louisville campus only. The seminary is NOT authorized by the USCIS (Immigration Service) to accept international “visiting scholars” with J-1 Exchange Visitor visas, whether as students or researchers. As U.S. immigration regulations are often subject to change, any international student seeking to study without F-1 visa status must first contact the Center for Student Success before making application.

International applicants must meet particular admission guidelines:

- For applicants whose native language is not English, an official score report not more than three years old on the Test of English as a Foreign Language (TOEFL) is required prior to admission. Applicants for Master of Arts or Master of Divinity programs must score at least 83 (internet-based) or 220 (computer-based); applicants for Doctor of Ministry or Doctor of Educational Ministry programs must score at least 90 (internet-based) or 233 (computer-based); and applicants for Master of Theology, Doctor of Education, or Doctor of Philosophy programs must score at least 95 (internet-based) or 240 (computer-based). IELTS is also acceptable for masters and undergraduate applicants.
- Applicants, other than Doctoral applicants, who are graduates of a United States college or university may request a waiver of the TOEFL requirement.
- International students seeking F-1 (student) visas must provide the Center for Student Success with affidavit(s) of adequate annual financial support, and unless transferring from a U.S. school, provide a deposit.

This deposit is necessary in order to ensure at least minimum funds to begin studies. Guidelines for determining the required amount for the deposit and the annual support are available on the “International Student Checklist” from the Admissions section of the seminary’s website.

School policy requires that a married student and family travel and live together while studying in the US. SBTS will not issue a Form I-20 to an individual family member. Exceptions can be made depending on the specific situation and are determined by the International Student Advisor.

International applicants are advised to submit their applications at least 120 days prior to the semester or term in which they wish to begin studies. If admission materials are not complete at least 45 days prior to the date when the applicant wishes to begin studies at Southern, the applicant will be notified of the withdrawal of their application.

The seminary cannot provide any applicant a Form I-20 necessary for the F-1 (student) visa unless, at least 30 days before the semester or term begins, the applicant has been approved for admission, and has provided the financial documents and deposit mentioned. Once accepted, applicants should plan to arrive on campus at least one week before new student orientation (but may not arrive more than 30 days before classes begin) in order to adjust to the community and receive assistance for special needs. Health insurance must be obtained before the student can enroll in courses. F-1 visa status students are eligible to earn a maximum of two master’s level degrees at SBTS. Questions concerning admission to master’s programs may be directed to the Admissions Office. Questions regarding admission to doctoral programs should be addressed to the appropriate Doctoral Studies Office (either Professional or Research). Questions about financial or visa matters should be directed to the Center for Student Success (international@sbts.edu).

Financial Aid

“And God is able to provide you with every blessing in abundance, so that you may always have enough of everything and may provide in abundance for every good work.” — 2 Corinthians 9:8

Since its inception in 1859, Southern Seminary has attempted to keep student costs as low as possible. Gifts from thousands of SBC churches and faithful individuals, given directly and through the Cooperative Program, provide significant funding for the operational budget of the seminary and enable Southern Seminary to defray a major portion of the academic cost for Southern Baptist students by providing a discounted tuition rate. Undergraduate and Master's-level students pay a flat, per-hour course fee.

The tuition rate is reduced for Southern Baptist students. This is an investment in the future ministerial leadership of Southern Baptist churches.

The Financial Aid program is established to assist those with the most pressing financial needs. A student's preparation for entering Southern Seminary should include a determination of financial needs and the provisions for meeting them since scholarship awards are not capable of providing the total budget needs of any student or student family.

Southern Seminary Scholarships and Grants

Scholarships are awarded annually to qualifying undergraduate and master's-level students and are subject to conditions established by donors and The Southern Baptist Theological Seminary. Unless otherwise stated below, applicants must complete the online College Board PROFILE application by the applicable deadline. Dr. McCoy's ministry was marked by faithfulness in preaching and teaching the Word of God, by integrity and excellence in leadership, and by a commitment to make disciples of all nations. In celebration of the legacy of faithfulness of Tim and Beverly McCoy, this scholarship fund is designed to provide tuition assistance (not including housing, books, etc.) to students who are pursuing theological education at Southern Seminary.

WOMAN'S AUXILIARY SCHOLARSHIP

The Woman's Auxiliary Scholarship is awarded to eligible women who are committed to a Christian vocation. All female continuing masters-level students may apply for this \$1,600 annual scholarship (\$800 per semester). Should the student or student’s parents resign from IMB or NAMB, the grant will be discontinued.

Other Assistance from Southern Seminary

SHORT-TERM LOANS

Southern Seminary offers a short term loan to currently enrolled, continuing students for a maximum of \$2,000 with an annual interest rate of 7%. Students may apply for a short term loan for tuition or living expenses by visiting the Financial Aid Office (Norton 153) or by emailing financialaid@sbts.edu. The repayment period for the loan is 6 months. Please allow one week from the time of application for processing.

EMERGENCY AID

At times a student may face an unexpected crisis caused by serious illness, death, or some other unforeseen circumstance. At such times, Southern Seminary seeks to assist with emergency expenses through a grant that does not need to be repaid. All emergency aid situations should be directed to the Financial Aid Office.

PAYMENT PLAN FOR TUITION

Southern Seminary participates in the Nelnet automatic payment plan, which is a program that allows students to make monthly payments toward their college expenses. One-fourth of a student’s tuition, fees, and residence life costs (if applicable) is due at registration. The remaining balance is automatically withdrawn from the student’s bank account or credit card in three equal monthly installments. The program is interest free, but a \$30 enrollment fee is charged per semester to participate in the program.

The monthly payment plan is only offered certain months of the year. Students who would like to pay for semester term 2 courses with the payment plan should contact the Accounting Office at the beginning of each semester.

does not endorse any of these searches or the scholarships found on their websites. Students should contact the scholarship organizations directly to apply and obtain eligibility requirements.

All students must have an ID card (the Shield Card) to use campus services. All students are assigned a student email account. Electronic mail is the primary means of communication for necessary information about classes, registration, and other campus functions within the seminary community. Students are accountable for the contents of institutional communication received through their email account.

ORIENTATION

Students who are new to the Louisville campus or new students who reside within 50 miles of campus are required to participate in Orientation. Students should register for Orientation to receive information before the semester begins.

MINISTRYSAFE SEXUAL ABUSE AWARENESS TRAINING

Southern Seminary believes that this training is critically important for all of our faculty, students, and staff serving in churches and other ministries. Unfortunately, this issue is becoming increasingly common, even within the church. We must do all we can to watch for these signs to help protect our children from abuse. MinistrySafe is training that was created specifically to assist organizations with developing practices and policies that help to protect children from sexual abuse. The training provides awareness to the signs of sexual abuse and to the laws related to sexual abuse.

All degree-seeking students must complete the training as soon as possible after becoming a student. If you have not completed the training by the end of the first semester of study, you will not be able to register for classes until the training is completed.

To take the training: Log into my.sbts.edu. On the left side of the screen in the menu, there is an entry for MinistrySafe. If you click on that menu item, it will give you a button to activate your MinistrySafe account and to access the MinistrySafe training. Once your training is complete, my.sbts.edu will show a green check mark reflecting that the training has been completed along with the date and time that you completed the training.

Even if you have completed MinistrySafe training through another ministry or organization, you must complete the training through my.sbts.edu.

If you need to complete the training in Spanish, please send an email to campustechnology@sbts.edu for assistance with sending you the Spanish version of the training.

Class Schedules

The school year is divided into semesters and terms. There are two semesters, each of which has approximately 13 weeks

of classes. Additionally, there are condensed summer and winter terms.

The unit of credit given for course work is the semester hour. This unit represents one hour of class per week for a semester or an equivalent amount of study during the term.

Registering for Courses at Other Schools

While in seminary, students may wish to take courses through other educational institutions in order to enhance their studies.

Southern Seminary students enrolled in a degree program can take courses through Kentuckiana Metroversity at one of the following institutions:

- Bellarmine College (Louisville, Kentucky)
- Indiana University Southeast (New Albany, Indiana)
- Ivy Tech Community College (Sellersburg, Indiana)
- Jefferson Community College (Louisville, Kentucky)
- Louisville Presbyterian Theological Seminary (Louisville, Kentucky)
- Spalding University (Louisville, Kentucky)
- University of Louisville (Louisville, Kentucky)

There are links to these schools' websites at metroversity.org. See qualifications and procedures on the Metroversity website.

Cooperative Program Course

The Cooperative Program Course is a (one-time) non-curricular requirement — course 42490 for master and doctoral students. Students should enroll in the class during their first year of study. All course work is completed online through Canvas. Subsequent registration for classes is contingent upon fulfillment of this requirement. Compliance at a sister seminary of the SBC is acceptable, provided that a transcript has been received by Academic Records.

Independent Study

Independent studies are an exception to the curricular schedule and delivery of SBTS courses. If a conflict jeopardizes the graduation of a student, however, the faculty may entertain a proposal for an independent study model. The student must initiate the process by contacting the professor for approval and the completion of the "Independent Study Contract." The school dean of the school in which the course is taught must approve this request prior to the beginning of the semester

or term for the study. The independent study guidelines and contract are found on the SBTS website.

Audit Policy

Auditing courses allows individuals to attend class lectures to pursue biblical and theological knowledge without being subjected to the course requirements to earn a letter grade. Audited courses may not be taken for credit later. Audited courses will appear on the individual transcript with a grade of NC (no credit.) The Audit Fee is the cost for 1 credit hour at the current SBC or non-SBC tuition rate. There is no enrollment fee if the audit is the only course for the term. Requests to audit a course may be made under the following conditions:

- There must be a physical seat available in the classroom at the start of the semester.
- The Audit Request Form must be submitted by midnight the Monday of the last full week before the start of on-campus classes.
- Auditors must be Boyce/SBTS Alumni or a current student. Anyone who only desires to audit courses and has not taken classes at SBTS must apply for admission as a non-degree student.
- Current students must be in good academic standing (At least 2.0 GPA overall and in the most recent semester) and have completed 18 hours of coursework SBTS (does not include transfer hours.)
- Only on-campus classes can be audited. Requests to audit internet and modular courses (WW, MD) will not be considered.

Student Status

ACADEMIC STANDING

Every student's academic standing is reviewed at the end of each semester. Each diploma and master's level student is categorized into one of the following classifications of academic standing. Standards for research and professional doctoral students (including Th.M.) are described in sections of the catalog that relate to each specific degree.

Students admitted provisionally or who are placed on academic probation will be enrolled in 42600 Academic Success for Grad Students.

- **Course Description**—This course will equip graduate students with the tools necessary to succeed in their academic pursuits and fulfill their God-given vocational calling. Topics covered include time management, productivity, study skills, research, writing composition, and other academic disciplines.

GOOD STANDING

A student is considered to be in good standing if that student has a grade-point average of at least a "C" (2.0 on a 4.0 scale), both in the grading period that is the subject of academic review and in the cumulative total.

ACADEMIC WARNING

If a student's grade-point average in the last grading period is below "C" (2.0 on a 4.0 scale), the student is placed on academic warning. He or she must achieve at least a "C" average (2.0 on a 4.0 scale) evaluated over the subsequent 9 hours of course work. Academic warning and academic probation may occur simultaneously.

ACADEMIC PROBATION

A student is considered to be on academic probation when his or her cumulative grade-point average falls below "C" (2.0 on a 4.0 scale). He or she must achieve at least a "C" average (2.0 on a 4.0 scale) evaluated over the subsequent 9 hours of course work.

ACADEMIC WITHDRAWAL

Failure to satisfy requirements for removal from academic probation will result in academic withdrawal. This standing

includes the student being withdrawn from the seminary for at least one semester. If the individual desires to re-enter the seminary, he or she must apply for readmission. Readmission, however, is not automatic. If readmission is granted, the student will be admitted on academic probation.

ACADEMIC DISMISSAL

Academic dismissal occurs when a student fails to satisfy the requirements necessary for removal from academic probation once that student has been readmitted following academic withdrawal. This academic standing will result in the student being withdrawn from the seminary. The student is then ineligible for readmission.

Attendance in Classes

The breadth of the seminary curriculum requires a variety of approaches to teaching and learning. Therefore, no uniform requirement for class attendance is prescribed. To allow for flexibility in the teaching/learning process, each professor will establish the attendance requirements in his or her course. Failure to meet these requirements may be reflected in a student's grade.

Enrollment Status and Maximum Course Load

Each course is assigned a credit hour value based upon the semester system. Full-time and part-time enrollment status varies with the program of study in which a student is enrolled and when the student is enrolled. Enrollment status is not applicable to the winter or summer term.

SEMESTER ENROLLMENT

- Master's and Diploma programs
 - Full-time: 9 hours or more
 - Part-time: less than 9 hours
- Doctoral Programs
 - Full-time: 1 hour or more
 - Part-time: less than 1 hour

The maximum course load for each term/semester are as follows:

Fall: 18 hours
 Spring: 18 hours
 Summer: 12 hours
 Winter: 12 hours

Exceptions to this policy may be granted by the Academic Records Office or Student Success Office.

NON-CURRENT STATUS

A continuing student who is not enrolled in the current semester is considered non-current and is unable to register for future semesters until after contacting Academic Records.

A student may miss up to four consecutive semesters before they must apply for readmission.

Maintaining Student Status

Southern Seminary prioritizes the spiritual maturity and development of each student. Standards are set to encourage a Christian environment appropriate for academics. The administration reserves the right to determine continued student status.

Student status is subject to review at any time. A member of the faculty, staff, or student body may request a review by the office of the Dean of Students if a student demonstrates the inability to live in harmony within the community, or if characteristics presumed present for admission are lacking, such as moral character, relational skills, potential for effective ministry, and appropriate church involvement.

Plagiarism and Telecommunications

Academic dishonesty violates the integrity of Kingdom work and witness. The standard for academic integrity is violated by cheating, inappropriate use of artificial intelligence, plagiarism, or the misappropriation of library materials. Plagiarism is the use or theft of intellectual property without attribution, both a moral and educational transgression. Students are required to affirm their academic integrity in writing when submitting all course work: On my honor, I have neither given nor taken improper assistance in completing this assignment. Appropriate and ethical behavior honors the software licensing agreements and copyright law; respects confidentiality and/or privacy of data; uses telecommunication and computing resources without offending, annoying, or harassing others. Students and employees are accountable for their use of all computing and telecommunications resources. Misuse may result in legal or disciplinary action.

Grades

GRADING SYSTEM

The Southern Baptist Theological Seminary awards grades on a 4-point system. The quality point value per credit hour for each letter grade is as follows:

A	4.0	C	2.0
A-	3.7	C-	1.7
B+	3.3	D+	1.3
B	3.0	D	1.0
B-	2.7	D-	0.7
C+	2.3	F	0

The minimum passing grade for master's level courses is a "D-". Doctoral level minimum grades vary, see program descriptions. Some courses are graded on a satisfactory/unsatisfactory basis. Instead of one of the letter grades listed above, the student receives either "S" for satisfactorily completing the course or "U" for unsatisfactorily completing the course. Other courses are graded on a Pass/Fail basis.

CHANGE OF GRADE

Approximately three weeks after the close of each semester, the student can view his or her grades for courses taken during that semester via Canvas. If a student thinks that he or she has been assigned an incorrect grade for a course, the following procedure should be followed:

- An appointment should be scheduled with the professor as soon as possible after receipt of the official grade. When making the appointment, the student should indicate that the purpose of the meeting is to review the grade that has been received.
- This consultation with the professor regarding the grade must take place within 30 days of the issuance of the official grade. When the professor is not available, the student should consult with the dean of the school in which the course was taught (for master's work) or the chairman of the appropriate doctoral studies committee for an extension of time or for other instructions.
- If the consultation with the professor results in change of the previously assigned grade, the professor will email Academic Records to request a grade change.
- Additional information regarding grievances may be found in the student handbook.

INCOMPLETE COURSEWORK

The seminary faculty discourages granting “incomplete” grades except in special cases (such as medical or family emergencies). The faculty member must deem any special cases appropriate.

Students receiving an incomplete during any semester or term are required to complete the work necessary to remove the incomplete prior to the close of the next scheduled semester. If a student does not complete the required work by the deadline, the incomplete will be changed to an “ZF.” This policy also applies to independent studies.

Doctor of Ministry students who receive an incomplete during any semester or term will not be permitted to register for additional classes until the incomplete work is submitted. Students may not begin their doctoral project until all incomplete courses are finished.

Exceptions to this policy may be made on the recommendation of a faculty member to Academic Records. All incompletes must be resolved by the end of the following semester.

REPEATED COURSES

Any course may be repeated regardless of the grade received for that course although a course will count toward the student's degree requirements only once. Each attempt will remain on the student's transcript, but only the most recent grade will be used to calculate the student's grade-point average (GPA). Responsibility for unintentionally repeated courses is not assumed by the institution. Students needing to repeat a course, must complete the Repeated Course Form on the website.

TRANSCRIPTS

Transcripts are confidential documents and are issued upon the request of the student. Transcript requests are submitted electronically through the SBTS website. Requests submitted through e-mail, mail, or fax may be accepted under exceptional circumstances. The charge for issuance of a transcript is noted in the “Schedule of Fees and Charges” at the end of this section. Most transcripts are issued within one to two business days. No transcript will be issued for persons who do not have clearance, including financial clearance from the Accounting Office, Library, and Campus Police. Academic Records reserves the right, at any time, to withhold a transcript for further verification of the request.

Policies

ACCESS TO STUDENT INFORMATION

A student has the right to examine some of the information in his or her student record. To do so, the student should contact Academic Records.

Seminary personnel may be given access to student files for routine purposes of processing. Third parties outside the institution may be given only specified items of directory information. Additional access may be granted with the written consent of the student or where the welfare of the student or others requires disclosure. Questions regarding directory information or student files should be directed to Academic Records.

The full policy on access to student records is available in the Academic Records office.

EVALUATION OF CLASSES

The quality of curriculum and instruction is monitored annually. Students participate in the evaluation process. A student may submit an evaluation by contacting the Office of Institutional Assessment even if a course is not scheduled for review.

FINAL EXAMINATIONS

Academic Records will publish a final examination schedule each semester based on class meeting times. With permission of the professor of the course, a student may take a final examination at a date other than the scheduled date. In such instances, the student may be assigned a grade of “Incomplete” for the course.

GRADUATION POLICY

In order to graduate from Southern Seminary, a student must meet all of the obligations listed below:

REQUEST TO GRADUATE

The graduation request is submitted by waitlisting the graduation class (1GRAD) in My.SBTS.

The request must be received by September 15 for graduation in December and February 15 for graduation in May.

Failure to submit the request by the deadline may result in a late fee or delay in graduation. Requests for December graduation will not be accepted after October 1 and requests for May graduation will not be accepted after March 1.

SATISFACTION OF DEGREE REQUIREMENTS

A student may graduate under the requirements stated in the seminary catalog at the time of acceptance into a degree program, provided that there has not been a withdrawal from courses for two or more years. Students may elect to graduate under the catalog revisions that are implemented during the time of enrollment, although all the new requirements must be met. Students must contact Academic Records to change to the current catalog.

The student is responsible to ensure that all requirements for graduation have been satisfied. Graduation audits will be conducted upon receipt of the student's graduation application. Students will be notified by student email of the results. All outstanding academic issues must be resolved by the mid-point of the semester in order to be eligible for graduation.

Students who are within 6 hours of completing their degree requirements may request permission to participate in the graduation ceremony and complete the requirements in the following term. Academic performance and the courses to be taken will factor into the decision for approval of the request. Please contact Academic Records for details.

SATISFACTION OF CUMULATIVE GRADE-POINT AVERAGE

Unless otherwise stated in degree program requirements, graduation from any master's level program requires the satisfactory completion of all the specified hours with a minimum cumulative grade-point average of "C-" (1.7 on a 4.0 scale).

FACULTY APPROVAL

Graduates are approved at the last faculty meeting of the semester. Although curricular requirements have been satisfied, the faculty of Southern Seminary reserves the right to recommend that a student not be granted a degree.

SATISFACTION OF FINANCIAL OBLIGATIONS

All financial obligations to the institution must be fulfilled prior to graduation, so that all accounts are clear of debt, including the graduation fee. If graduation is deferred, student should contact Academic Records.

MULTIPLE DEGREES

To earn an additional degree, students must reapply through the Admissions Office. Current students are encouraged to speak to a Center for Student Success Academic Advisor before applying for an additional degree.

For more information, see the Academic Records Policies page on inside.sbts.edu.

Transfer of Credit Policy

The SBTS Transfer Credit Policy can be found on the Academic Records page at inside.sbts.edu/academic-records-registrar/.

MASTER'S LEVEL PROGRAMS

The Southern Baptist Theological Seminary recognizes appropriate course work completed at other seminaries, universities, and colleges that have been accredited by accrediting agencies recognized by the U.S. Department of Education. All credits are accepted in accordance with federal and state law, informed by the standards delineated in the American Association of Collegiate Registrars and Admissions Officers Transfer Credit Practices Guide.

Transfer courses must be appropriate for the degree program, and have commensurate academic content and expectations to the course being substituted, with a grade of "C-" or higher. Transfer hours are posted on the official transcript as credit earned with no grade upon the completion of one semester in an approved degree program. Transfer credit is not applied to non-degree or certificate programs.

The maximum amount of transfer credit varies according to the program of study. At least 1/3 of the required hours for the SBTS degree must be earned at SBTS.

Transfer credit for Personal Evangelism (32100) and Introduction to Missiology (32960) is only granted if taken at one of the other SBC seminaries. Exceptions to this policy must be approved by the dean or associate dean of the Billy Graham School.

Transfer credits are not allowed to be applied to Graduate Certificate.

Students are sent a report of transfer credit applicable to their degree.

Transfer credit evaluation begins after a student has been accepted as a student. The Southern Baptist Theological Seminary uses TES® as part of the transfer credit process. You can see what courses have transferred from other schools by going to the TES® page at inside.sbts.edu/academic-records-registrar/sbts-transfer-credit/

1). A request for the evaluation of transfer credit from an accredited institution will be processed after the receipt of all necessary documents to Academic Records:

- A. Official copies of transcripts (sent to Admissions with application)
- B. Copy of catalog course descriptions of all work to be evaluated
- C. Copy of syllabi as needed.

**Additional information may be requested by Academic Records as needed.

2). Transfer credit from institutions outside the United States and Canada, or those unaccredited by DOE-recognized accrediting body will be evaluated on an individual basis.

- A. Transfer of credit evaluation for courses taken at an institution outside the United States or Canada must be evaluated by World Education Services (WES) before being submitted with the accompanying documentation (listed below).
- B. Transfer of credit evaluation for courses from institutions within the United States and institutions not accredited by ATS or a regional accrediting agency require the following documentation:
 - 1. Official copies of transcripts to be evaluated (send to Admissions with your application)
 - 2. Vita of Professor(s)
 - 3. Syllabus from the actual course
 - 4. Substantial samples of course work

**If an institution receives full accreditation status from ATS or a regional accrediting agency within two years of matriculation, the student may request a reevaluation of the transfer of credit hours earned while the institution was under review.

COURSE EVALUATION POLICY

Students wishing to take a course at other institutions not affiliated with Metroversity for transfer of credit to Boyce College or Southern Seminary should request a course evaluation prior to registering for the course. The course description of the potential transfer course is needed and a copy of the syllabus may also be required.

Once the course has been evaluated, the student will be notified if the course may be considered for transfer of credit. Transfer of credit is only granted after the course has

been successfully completed, and an official transcript is sent to the Office of Academic Records.

Course evaluations are conducted in the order in which they are received. Course evaluations should be requested the semester before the proposed course is completed.

PROSPECTIVE STUDENTS

Transfer credit evaluations can be completed for prospective students upon completing an application with Admissions (see Admissions information).

PROFESSIONAL AND RESEARCH DOCTORAL PROGRAMS

Southern Seminary does not grant transfer credit for doctoral work completed at other institutions. Any exceptions must be approved by the Vice President for Doctoral Studies.

Transfer of Degree Program

Most students who wish to transfer from one degree program to another must submit the Degree Change form on the SBTS website.

Students who change degree programs will be required to meet course requirements that are in effect for that degree at the time of transfer.

A student admitted to SBTS as a diploma student may apply for degree transfer if he or she meets the following criteria:

- 1). Earned a minimum of 24 hours of SBTS master's-level coursework.
- 2). Has a minimum career GPA of 3.0 on a 4.0 scale.

The student will complete the normal degree transfer request and after verification of eligibility, the request will be sent to the appropriate school for consideration and approval. Exceptions to this policy must be approved by the appropriate school dean.

Withdrawal from Seminary

A student who no longer desires to study at Southern Seminary should complete the withdrawal process by submitting a "Student Withdrawal" form to Academic Records and satisfying all institutional accounts.

Withdrawals will be processed through Academic Records anytime during the current semester. Refunds will be made in accordance with the current refund policy. Students who

withdraw prior to the mid-point of the semester will receive the grade of “W” for all courses. Students who withdraw after the mid-point of the course will receive an automatic “F” for all enrolled courses.

A student who withdraws and desires to be readmitted must contact Admissions at least 30 days prior to the beginning of the semester or term. The reapplication fee will not apply.

Students are permitted four consecutive semesters of inactivity (not enrolled for courses) without being required to apply for readmission, but must contact Academic Records to be able to register.

READMISSION

A student must reapply for admission if any of the following is true:

- Student graduated from a Southern Seminary degree program.
- Student had a period of inactivity longer than 4 semesters.

Fees and Charges

The major portion of student academic costs is defrayed by a direct subsidy from the Southern Baptist Convention, through the Cooperative Program, as an investment in the future ministerial leadership of the churches affiliated with it.

Degree fees that cover a portion of the cost of classroom instruction, academic support services, and auxiliary benefits such as an annual directory, social and recreational programs, technology fees, and medical clinic services.

Southern Seminary trains Christians of many denominations for ministry. Non-Southern Baptist students pay degree fees that are twice the amount paid by Southern Baptist students. A student is considered to be Southern Baptist only if he/she is a member of a Southern Baptist Convention church that contributes to the Cooperative Program.

FINANCIAL OBLIGATIONS

All applicable academic fees need to be paid either online or in Accounting by all students, including off campus students, by the payment due date which is listed on the Student Tools/Account Information tab on my.sbts.edu. Students may contact the Bursar's office for more payment information at accounting@sbts.edu. On-line payments may be made by checking or savings, Discover, American

Express, Visa or MasterCard either in full or by using the Nelnet monthly payment plan. Full payment may be made in Accounting by cash, check or money order. All accounts with the seminary must be paid promptly. Neglect of financial obligations may be cause for disciplinary action.

A student must pay all current financial obligations before registering for any semester/term. A student must satisfy any outstanding financial obligations before grades and/or transcripts can be issued to or for the student. Individuals are responsible for any collection costs and legal fees paid by The Southern Baptist Theological Seminary to third parties for the collection of any account balances.

Dormitory rent is billed by the semester and due by each registration payment deadline. Apartment rentals are due one month in advance and are payable at the beginning of each calendar month. If rent on student housing becomes delinquent, the student may be required to vacate his or her apartment and may be withdrawn from all classes.

Schedule of Tuition and Fees

The following fees become effective on August 1, 2025. Any revisions approved by the Budget Committee and Board of Trustees after that date will be communicated to students prior to the beginning of each semester or term (in registration materials or by other means of notification).

SPOUSE/DEPENDENT REFUNDS

Not applicable to Hispanic Program, Dual Enrollment or Seminary Wives Institute courses.

A student must apply for the refund by providing the information on the Spouse/Dependent Form. You may access the form on my.sbts.edu. Sign in with your username and password and click Student Tools, then Account Information. The Spouse Dependent Discount form is located in the Information Window under Important Documents.

Spouses/Dependents are defined by the standards used for federal tax purposes.

All tuition must be paid in full by the published due date for the term. If two individuals from the same family are enrolled and one is full time, one of you may be eligible for a 50% refund of tuition after the midpoint of the semester. In determining which person receives the refund, the following apply: (1) if one student is paying a monthly program fee, he/she is the full paying student; (2) if both persons are paying program fees, the one paying the lesser fee is considered the spouse/dependent. (3) the 50% refund will be applied to the student with the lesser net tuition charges (gross tuition less any Seminary-provided financial aid) (4) one spouse/dependent refund is allowed for each full-time paying student.

A student must apply for the refund by providing the information on the Spouse/Dependent Form. You may access the form on my.sbts.edu. Sign on with your username and password and click Student Tools, then Account Information. The Spouse Dependent Discount form is located in the Information Window under Important Documents. Spouse/dependent refunds do not apply to Hispanic Program, Dual Enrollment or Seminary Wives Institute courses.

- This refund does not apply to additional fees, including the Student Enrollment Fee.
- Only one spouse or dependent refund is permitted for each full paying student: Students who receive discounted tuition, have a full tuition benefit or SBTS scholarships that cover all tuition do not qualify.
- The 50% refund will be applied to the student with the lesser net tuition charges.
- If one student is a doctoral student billed monthly program fees, that student is the full-paying student, and the refund will be determined on the net tuition charges of the other student.

- The refund will be applied to the account of the student who qualifies for the refund. Credits may then be transferred to a spouse's account if requested.
- To qualify for this refund both students must be enrolled and first pay all tuition and fees by the designated due date.

INDIVIDUAL SUPERVISORY FEES PER COURSE

(PER SEMESTER)

Some courses may require additional fees, such as classes requiring clinical supervision, non-credit language study, or musical instruction.

All fees are subject to change. If additional fee information is needed contact Academic Records at (502) 897-4209. Individual Supervisory Fees per course

(PER SEMESTER)

Some courses, such as courses requiring mentoring or clinical supervision, non-credit language courses, and music courses require additional course fees. See the current academic year Fee Schedule document in my.sbts.edu.

Office of Church and Alumni Engagement

Southern Seminary exists to strengthen the local church. Church Partnerships formalize that commitment by coming alongside faithful ministry training with accredited pathways, trusted faculty, and practical flexibility. Church Partnerships exist so the training you are already doing can count toward an accredited Southern Seminary degree.

MINISTRY APPRENTICESHIP PROGRAM (MAP)

MAP allows a student's supervised ministry experience to count for academic credit toward their degree. That can be a structured internship or residency program, or it can also be a formalized ministry role as long as responsibilities, supervision, and expectations are clear.

Students who are members of MAP affiliated churches can earn up to 18 credit hours in the following 6 credit hour courses:

- 44915 MAP I
- 44790 MAP II
- 44936 MAP III

MAP courses can count as electives or may be used to substitute core classes in practical ministry. For more information, visit sbs.edu/map.

CONTEXTUALIZED LEADERSHIP DEVELOPMENT (CLD)

Contextualized Leadership Development allows theology and ministry classes taught by your qualified leaders to count toward undergraduate or master's-level credit. Southern provides the academic framework and oversight. Your church provides the teaching and discipleship context. Southern will also provide the online lectures from our faculty so you can choose to supplement your local instruction with recorded Southern Seminary faculty lectures. This pathway is for churches already offering serious theological instruction and want it to count toward undergraduate credit at Boyce College or graduate credit at Southern Seminary.

CHURCH-BASED SEMINARY COURSES

Church-Based Seminary Courses bring accredited Southern Seminary courses directly to your church.

Southern faculty teach live on a set schedule while your church gathers participants locally for discussion, accountability, and application. Students earn accredited seminary credit without relocating.

This pathway is for churches that want their members to learn together, engage Southern faculty, and take a clear first step toward a seminary degree in the life of the church.

MINISTRY-BASED ONLINE COURSE COHORTS

A Ministry-based Online Course Cohort is a group of students enrolled in the same Southern online course who also learn together as a cohort, either in person or virtually.

The course remains a standard Southern online course. Southern faculty maintain responsibility for teaching oversight, outcomes, assessment, and grading. Your church or ministry provides the cohort environment that brings discussion, encouragement, and ministry application into the training process.

Introduction

PURPOSE

The primary purpose of the School of Theology is to offer graduate theological education to train students to be pastors, teachers, and for other areas of service to the gospel of Jesus Christ.

The School of Theology seeks to provide the biblical and theological training that is foundational for effective ministry. Central to these educational functions is the development of persons of Christian character, commitment, and integrity.

Because Christian ministers encounter a wide spectrum of issues and challenges, the School of Theology offers an education that is both comprehensive and highly specialized. To meet the demand for comprehensiveness, students complete a core curriculum that will enable them to think theologically and will equip them with appropriate knowledge and skills. To meet the demand for specialization, students have the opportunity to select an area of concentrated vocational preparation.

The School of Theology seeks both to serve and to lead the denomination of which it is a part. While closely related to the academic and Christian communities of the world, its chief concern is the Christian ministry of Southern Baptist churches.

OVERVIEW OF ACADEMIC PROGRAMS

The School of Theology has three main types of academic programs: masters, professional doctoral, and research doctoral.

Masters programs include our Master of Arts degrees and Master of Divinities degrees, as well as a Diploma program for those without a traditional Bachelor degree (See page 57). **Professional doctoral programs** include our Doctor of Ministry degree (See page 108). **Research doctoral programs** include our Doctor of Philosophy degree, as well as the Master of Theology degree (See page 122).

SCHOOL OF THEOLOGY GOALS

The programs in the School of Theology are offered to equip qualified students for the practice of effective Christian ministry. The goal of this faculty is for every graduate:

- To be a called disciple and minister of Jesus Christ, serving his Kingdom
- To possess a deep and growing love for God and a desire to bring glory to his name

- To possess an abiding love for people and the work of Christian ministry in the context of the church
- To bear witness to the complete truthfulness of Holy Scripture
- To maintain the historic principles of the Christian faith and of the Baptist heritage
- To be ethically informed and to embody the moral imperatives of the Kingdom of God
- To integrate theological understandings with human need in the contemporary world
- To demonstrate Christian commitment, maturity, integrity, and spirituality
- To possess knowledge of the Bible and of historic and contemporary Christian thought and practice
- To receive specialized training and skill development in specific areas of ministry

Policies for Master's Level Programs

ACADEMIC ADVISING

Academic advising is offered for new students during orientation. Academic advising is also available during the year. Students may contact the Center for Student Success.

MENTORING GROUPS

Mentoring Groups through Southern Seminary provide master's level students with the opportunity for mentorship by a faculty member and fellowship with a small group of students throughout the semester. Faculty members provide spiritual support and counsel outside the classroom. The monthly meetings provide opportunity for relational development, encouragement, and prayer.

APPLIED MINISTRY (1 CREDIT HOUR)

Applied Ministry is a field education class which provides an opportunity for the student to learn while engaged in the practice of ministry. In Applied Ministry the student serves on the field and obtains practical ministry experience under the supervision of a qualified minister at an eligible site. Applied Ministry is a requirement for all students in master's level programs. In the School of Theology, students will be required to take 44910.

MINISTRY APPRENTICESHIP PROGRAM (MAP)

MAP allows a student's supervised ministry experience to count for academic credit toward their degree. That can be a structured internship or residency program. It can also be a part-time or full-time ministry role, as long as the responsibilities, supervision, and expectations are clear. For more information, visit sbts.edu/map or email map@sbts.edu.

ADVANCED PLACEMENT EXAMS

Students coming to SBTS with a background in certain concentrations are able to complete an exam for advanced standing. AP exams are available for current students. They do not award course credit, but rather allow students to replace introductory courses with an elective in the same field. For instance, if a student passes the exam for Systematic Theology I, they may take another Theology course in its place. There are no exceptions to this rule. The exams that are available to be taken within the School of Theology are as follows:

- New Testament I
- New Testament II
- Beginning Greek
- Introduction to Greek Exegesis: 1 John
- Old Testament I
- Old Testament II
- Beginning Hebrew
- Introduction to Hebrew Exegesis: Ruth
- Systematic Theology I
- Systematic Theology II
- Systematic Theology III
- Church History I
- Church History II

For more information on advanced placement exams, please visit sbts.edu/academics/school-of-theology/. Those who wish to take an exam should contact the School of Theology at theology@sbts.edu.

Introduction

PURPOSE

The mission of the Billy Graham School of Missions, Evangelism, and Ministry is to equip God-called individuals for theologically grounded and skillfully practiced service in the local church as pastors, missionaries, evangelists, church planters, biblical counselors, worship leaders, and organizational leaders.

This wide spectrum of roles requires education that is both theological and practical. This means our curriculum grows both deep roots in the core theological disciplines and wide branches in the specialized skills necessary for these different callings. The unique role of the BGS is to train students in the practice of applying Scripture and theology with precision to a variety of contexts. Those contexts vary from boardrooms to classrooms, from music stages to missions fields, from counseling offices to open air markets.

The BGS prepares students to minister in the churches and agencies of the Southern Baptist Convention and beyond. We want our students to understand and appreciate the programs and agencies of the SBC, such as the International Mission Board and the North American Mission Board, so that they might make lasting contributions. We also prepare students for other evangelical Christian organizations and churches, domestically and internationally.

OVERVIEW OF ACADEMIC PROGRAMS

The Billy Graham School has three main types of academic programs: masters, professional doctoral, and research doctoral.

Masters programs include our Master of Arts degrees and Master of Divinity Graduate Certificates, as well as a Diploma program for those without a traditional Bachelor degree (See page 57). **Professional doctoral programs** include our Doctor of Ministry and Doctor of Educational Ministry degrees (See page 108). These programs were designed to equip ministry professionals for a high level of excellence in the practice of education and discipling ministries, Christian leadership, church growth, and administration. **Research doctoral programs** include our Doctor of Philosophy degree, as well as the Master of Theology, Doctor of Missiology, and Doctor of Education (See page 122). These degrees were designed to equip advanced students for academic teaching, research, and writing in higher education.

We know different students will have different needs based on context and calling. So we offer these academic programs through a variety of delivery formats. These mainly include traditional semesters on-campus, weeklong courses on-campus, modular courses that blend on-campus and online instruction, and online courses.

BILLY GRAHAM SCHOOL GOALS

The BGS faculty work hard to instruct and evaluate students with the goal of producing graduates with the knowledge, skill, and character they need to fulfill their calling.

Our hope is for every graduate:

- To be a called disciple and minister of Jesus Christ, serving His Kingdom
- To possess an abiding love for people and the work of Christian ministry in the context of the church
- To bear witness to the complete truthfulness of Holy Scripture
- To integrate theological understandings with human need in the contemporary world
- To lead discipleship ministries that build up the whole family in their spiritual growth
- To learn and do Great Commission ministries in the areas of missions, evangelism, and church growth
- To maintain the historic principles of the Christian faith and of the Baptist heritage
- To demonstrate Christian commitment, maturity, integrity, and spirituality

Policies for Master's Level Programs

ACADEMIC ADVISING

Academic advising is offered for new students during orientation and is available any time at the Center for Student Success.

MENTORING GROUPS

Mentoring Groups through Southern Seminary provide master's level students with the opportunity for mentorship by a faculty member and fellowship with a small group of students throughout the semester. Faculty members provide spiritual support and counsel outside the classroom. The monthly meetings provide opportunity for relational development, encouragement, and prayer.

APPLIED MINISTRY

Applied ministry is a field education class which provides an opportunity for the student to learn while engaged in the practice of ministry. In Applied Ministry the student serves on the field and obtains practical ministry experience under the supervision of a qualified minister at an eligible site. Applied Ministry is a requirement for all students in the master level programs. In the Billy Graham School, students will have the option of taking 44920 (BGS: Applied Ministry) or 44930 (BGS: Applied Ministry/Mission Trips).

MINISTRY APPRENTICESHIP PROGRAM (MAP)

MAP allows a student's supervised ministry experience to count for academic credit toward their degree. That can be a structured internship or residency program. It can also be a part-time or full-time ministry role, as long as the responsibilities, supervision, and expectations are clear. For more information, visit sbts.edu/map or email map@sbts.edu.

The ministry research project (course 80700) is the culmination of the program of study. Through a written report of 80-125 (+/-10%) pages, the student has the opportunity to apply professional knowledge and documented research into the context of ministry. The entire project is supervised by a faculty supervisor in conjunction with the Professional Doctoral Studies director. Prior

to beginning the ministry research project, the student must secure approval of a proposal. To secure approval, the student must submit a project proposal to the faculty supervisor. Once the faculty supervisor approves the proposal, the director of Professional Doctoral Studies will recommend the proposal to the vice president of Doctoral Studies for recommendation to the faculty for final approval. Once the proposal is approved, the student engages in simultaneous research and practice to conduct the project. The results of the project are compiled in written form per specific guidelines. After the project paper has been written, the student must successfully defend the project in an oral exam before a committee of two persons, consisting of the faculty supervisor and a second professor selected by the director of Professional Doctoral Studies.

supervisor is responsible for guiding the student's progress through the Ministry Research Project or Research Thesis.

RESEARCH THESIS

Permission must be granted to present a research thesis in place of a ministry research project according to the instructions provided during the student's first semester. The Office of Professional Doctoral Studies and the potential supervisor will review these documents and determine whether the thesis request will be approved or denied. If approved, the student will write a thesis proposal in course 80600 and submit it to the Professional Doctoral Office and the supervisor for approval. The student then engages in research and writing to complete the thesis. Upon its completion, the student will defend the thesis before a committee of the faculty supervisor and a second professor approved by the director of Professional Doctoral Studies.

Once this committee approves the proposal, the director of Professional Doctoral Studies will recommend the proposal to the vice president for Doctoral Studies for recommendation to the faculty for final approval. Once the proposal is approved, the student engages in simultaneous

research and practice to conduct the project. The results of the project are compiled in written form per specific guidelines. After the project paper has been written, the student must successfully defend the project in an oral exam before a committee of two persons. This committee includes the faculty supervisor and a second professor selected by the Director of Professional Doctoral Studies.

RESEARCH THESIS

The research thesis is an option for Professional Doctoral students with exceptional research and writing skills. This option differs from the ministry project in that it is a 100-125 page work driven by literary research towards the development and validation of a thesis statement applied to the broader church rather than a practical project geared towards a local ministry setting. Permission must be granted to present a research thesis in place of a ministry research project according to the instructions provided during the student's first semester. The Office of Professional Doctoral Studies and the potential supervisor will review these documents and determine whether the thesis request will be approved or denied. If approved, the student will write a thesis proposal in course 80600 and submit it to the Professional Doctoral Office and the supervisor for approval. The student then engages in research and writing to complete the thesis. Upon its completion, the student will defend the thesis before a committee of the faculty supervisor and a second professor approved by the director of Professional Doctoral Studies.

Research Doctoral Studies

Overview of Research Doctoral Programs

Research doctoral programs are designed to give students of superior ability an opportunity to prepare themselves thoroughly for effective leadership in Christian thought and life, especially for pastors and teachers of Christian truth. The Master of Theology (Th.M.), Doctor of Missiology (D.Miss), Doctor of Education (Ed.D.), and Doctor of Philosophy (Ph.D.) programs are designed to prepare students for advanced scholarship and the application of scholarship to ministry.

Master of Theology (Th.M.) Program

The Master of Theology (Th.M.) program provides the opportunity for students to broaden and deepen their knowledge in a particular area of concentration in further preparation for ministry and/or future doctoral studies. The purpose of the Th.M. program is to equip students in a confessional context for greater mastery of a particular theological discipline.

Consisting of 25 total credit hours, the Th.M. program allows students to pursue the degree path that best serves their long-term goals (whether pastoral, academic, or some combination). Courses are offered in a combination of online, modular, and residential formats which provides maximum flexibility for each student. Students can also choose a combination of advanced graduate-level and/or doctoral-level courses.

AREAS OF CONCENTRATION

Students in the Th.M. program pursue a concentration in one of the following specialized areas:

- Biblical Studies
- Historical and Theological Studies
- Philosophy and Theological Studies
- Practical Theology

TRANSFER CREDIT

While the program curriculum is designed to be completed in 3 semesters, SBTS graduates may be approved to receive up to 12 hours of transfer credit for advanced graduate-level elective coursework, which may significantly shorten the time of completion.

Students who later pursue Ph.D. studies at SBTS may also transfer 12 hours of Th.M. coursework (Foundations for Theological Studies, Graduate Research Seminar, and up to 2 Ph.D. seminars) into the Ph.D. program upon acceptance.

RESIDENCY REQUIREMENTS

The Doctor of Education degree is designed so that students are not required to relocate to the main campus. Two weeks of on-campus study are required each year, one week in summer and one week in winter. On-campus seminars are scheduled the last full week of July and the first full week of January each year. Thesis defense will require an additional visit to the campus.

LENGTH OF TIME ALLOWED

The Doctor of Education degree is designed to be completed in thirty months. This time frame includes all seminars and the thesis. A student must enroll every semester until the thesis has been defended and accepted.

If a student requires additional time beyond thirty months, the student must petition for an extension. The petition must be submitted to and approved by the program director and the student's faculty mentor. Students who are granted extensions will be assessed additional fees for each semester beyond the 30-month limit. No student will be allowed to continue beyond 48 months in the program.

MINIMUM GRADE POINT

In order for a student to receive credit for a research seminar, he or she must earn a "B" (3.0 on a 4.0 scale). Any grade below a "B" results in loss of credit for the course. The student will be placed on probation. An additional research seminar grade below a "B" during the following term will result in termination from the program. Additional academic evaluations are conducted during the entire program of studies to ensure that the student remains capable of completing doctoral studies.

- Students will apply educational research to solve complex social and organizational problems.

COMPREHENSIVE EXAMINATIONS

Before being scheduled for comprehensive examinations, students must successfully complete four foundational seminars and two advanced seminars.

Comprehensive examinations test the student's capacities as a problem solver and practitioner scholar by focusing on the student's ability to coordinate and to apply research findings related to his or her research focus. Students will answer questions related to their thesis topic as well as questions related to the content of their seminars.

The student must successfully complete comprehensive examinations before his or her thesis prospectus can be approved.

THESIS

Each candidate for the Doctor of Education must successfully complete a thesis based on the candidate's systematic inquiry into an area of advanced research.

During the first two foundational seminars, each student will be assigned a mentor and a research topic. Under the

supervision of his or her mentor and in dialogue with fellow team members, the student will develop a research question that will form the foundation for his or her thesis. In selected seminars throughout the program, students will draft chapters in preparation for the completion of this thesis.

THESIS PROSPECTUS

Throughout the seminars, the student will develop in consultation with his or her mentor and with other faculty members, a thesis prospectus that includes the first chapter of the thesis and summarizes the student's research question and strategy. The student will defend the thesis prospectus during the course 92070 Mentorship and Guided Research in a closed hearing with his or her mentor and one other faculty member.

The student may not engage in empirical research with human subjects until the methodology has been approved by the Ethics Committee and until the thesis prospectus has been approved by his or her mentor and the seminary faculty.

THESIS DEFENSE

The final thesis will focus on one particular research question and will be 25,000-40,000 words in length. The research for the thesis may be text-based or empirical.

The completed thesis will be defended in a hearing scheduled and supervised by the student's faculty mentor. The student's thesis committee will consist of the faculty mentor and a second faculty member.

To graduate, the student must receive a minimum grade of "B" (3.0 on a 4.0 scale) on the thesis. A grade of "B-" (2.7 on a 4.0 scale) or below will require the student to rewrite the thesis and defend again. Failure to pass the second submission and defense of the dissertation will result in forfeiture of the Doctor of Education degree. The thesis, upon completion, is submitted for copyrighting, digital preservation and binding.

Doctor of Philosophy (Ph.D.) Program

The Ph.D. is the highest degree offered in North America. The purpose of the Doctor of Philosophy program is to equip students in a confessional context for academic excellence and to prepare them to teach and research in their fields of study for the glory of God and the good of his church.

OVERVIEW

Due to the rigor and structured format of the Ph.D. program, students will earn a Th.M. in a related field in route to earning the Ph.D.

Upon successful completion of the first stage of the program they will be assigned their official Ph.D. supervisor who will guide them through the rest of the program.
