Proposed Hybrid Class Schedule

These classes are hybrid classes, meaning that students will watch six recorded videos whenever they wish over a six-week period and then plan to meet with other registered students as well as the teacher on a Thursday night to ask questions and have further discussion. Students are strongly encouraged to attend the live class on the date specified well in advance. Students should plan to have watched all six recorded lectures and completed the assignments prior to the live class. Attendance is not mandatory. Live classes will meet from 7:00-8:15pm in Norton Hall.

For the benefit of those working to earn the certificate, required courses are in bold face type. All courses are six weeks in length. Terms I-II fall consecutively from late August through mid-November. Terms III-IV fall consecutively from late January or early February through late April. Specific dates are included with other important details in the course descriptions found prior to each semester on our webpage as well as on my.sbts.edu where students register.

Discipleship I and II are the only classes that meet weekly over both fall terms for a total of 12 classes. It will be offered in the fall of even numbered years on Wednesday mornings and Thursday nights. Students who register for it will be sent further details. This is NOT a hybrid class and attendance is required weekly.

We suggest you attempt to plan your course selection so you will be sure to complete the required courses and be able to choose your electives accordingly. The schedule is subject to change as new courses are added but we do our best not to move required classes.

Our Family Life Conference is a required course. Both husband and wife must attend this event once. It is held in even numbered years on a Friday night and Saturday morning in mid-September. A flyer with details will be posted on our webpage starting in May on the years when it is offered.
